Dear Mentors and Friends of TeamMates:

It's time again for our annual TeamMates Golf Tournament! We hope you are able to join us for a great day of golf and supporting an important cause. The tournament will include some favorites and some new components including:

- **Eric Crouch**, 2001 Heisman Trophy winner, will be joining us for the day! Registered golf teams will have an opportunity to bid on an opportunity to have Eric join their team. Bidding will start at 12:30 pm. The winning bid will add Eric to their team for a team of 5.
- The popular 10 Feet of String and Mulligans will be back!
- Flight prizes will again be delicious Cargill steaks
- A Silent Auction will be featured this year. Golfers will have an opportunity to bid on golf items, a Husker Basket (2 tickets to a home Football Game included), custom golf ball holder and gift baskets.
- Hole #5 will give you the opportunity to "Buy Your Drive". For \$5 you can ask one of our guests to hit your drive for you on this Par 5. Guest golfers will include golf pros and coaches.
- The day will conclude with a steak dinner on the deck of the clubhouse.

Don't miss this great day! Registration materials are included with this letter. Thanks for all you do for TeamMates and our community.
